

**CANCER IS A FIGHT.**  
**DON'T LET THE FLU KNOCK YOU DOWN.**

# **FIGHT BACK!**

## **GET YOUR FLU SHOT**

Take action to protect yourself against the flu,  
so you can focus on the fight that matters most.

**The flu is serious for people who have cancer.**

**Give flu the one-two punch this season:**

1. Get the flu shot—not the nasal spray vaccine.
2. Make sure the people you live with or who care for you get the flu shot too.

*A flu shot is your best protection  
against the flu this season.*
